WHO WE ARE

Vocalicious: The Loudest & Proudest SCU A Cappella Group

OUR MISSION

Vocalicious is a tight-knit family of students who come together to share their love of music and strong positivity with each other and our audiences. Started by students with a deep-seated love of the blues, the group has evolved into one that sings all genres.

Our members are talented, hardworking and supportive, and with them we bring a diversity of genres, styles, and artists to show how powerful a cappella can really be!

Performances & Awards

Every quarter, Vocalicious performs at one major concert in SCU's Music Recital Hall. We collaborate with other a cappella groups on campus to put on a great night full of music and energy.

Recently in February 2024, Vocalicious had the opportunity to perform at the International Championship of Collegiate A Cappella (ICCA) West region quarterfinals, an experience that we will never forget and plan to continue pursuing for future years!

We've also performed at SCU events and collaborated with other collegiate a cappella groups. For example, we've performed at the SCU talent show Love Jones, the SJSU Spartones' "Not So Serious" A Cappella Showcase in April of 2023 alongside groups from SJSU and UC Davis.

We always love singing with other collegiate ensembles, and are available for cross-college collaboration throughout the year. We are also available to perform at all kinds of venues for your public or private event. If you're interested, see how you can contact us here.
